The Architectural Control Committee shall be furnished a completed set of plans and specifications for each home proposed for all lots within the Real Property, as well as considering the qualifications of the proposed contractor for such homes. The committee is hereby granted full power and authority to approve or disapprove of any house plans. Such approval or disapproval shall be in writing, and if approved, a copy of the plans and specifications shall be retained by the committee until the home is completed.

D) **Easements**

Easements for installation and maintenance of utilities such as electric power, telephone lines, gas lines, water lines, sewer lines and drainage facilities are reserved as shown on the recorded plat. Neither the members of the committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. After all lots within the Real Property and other subdivisions in Valley View Estates, including subdivisions that may be platted and recorded subsequent to the recording of this Declaration of Covenants, are sold, the then record owners of a majority of all such lots shall have the power, through a duly recorded written instrument, to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties. If said committee ceases to function for any reason, the requirements hereunder shall be met by filing plans and specifications for approval or disapproval with the Building Inspector of the City of Rexburg, Idaho.
